

Heta

wet area matting

Heta is a durable and versatile wet area mat for all damp areas; including bathrooms, saunas, dressing rooms, swimming pools, etc.

Heta's unique surface design ensures that the mat is not slippery; while the soft underlay guarantees that the mat remains firmly in place.

Heta's robust construction is able to withstand weather conditions of all kinds, and is also suitable for protection mat applications for terraces and balconies.

Heta is available in three roll widths and various colours.

Heta colour range

10 black
